Teenaa koutou te whaanau.

We thank you for the sponsorship and are pleased to inform you that Anaru and his W12 team got a silver medal for the 500 m race. His W6 team also reached the finals in their respective races for 500m and 1000m races.

I have attached a photo of Anaru and his team. He is in the 2nd row, 2nd from the left holding his medal.
